National Supervisor,  
Chicago, Ill.

Greeting in Love:

Will you kindly send the following as a letter to the Centers  
where the children are studying <sup>Savannah, Georgia. They are</sup> ~~which are~~, I believe, Port Washington,  
Kenosha, Chicago, Los Angeles and the place where Mary Morris children  
are ~~studying~~.

Letter

To the Teachers of the Children's Section,  
The Rama Sangha.

Greeting in Love:

Will you kindly hold an examination of the children <sup>in</sup> ~~under~~ your  
~~charge and~~ charge and write me the names of those who know the prayers ~~by heart~~, <sup>and</sup>  
the three fundamentals, <sup>by heart</sup> ~~and~~ the names of those children who have  
<sup>if also</sup> obeyed the instructions regarding service to others. If a child knows  
one fundamental or one prayer by heart make a note of that and send  
it together with the name.

There <sup>will</sup> ~~is~~ to be issued to the Children's Section what are called  
Golden Heart ~~Cards~~ <sup>Cards</sup>. One card will be issued for each fundamental  
and prayer, <sup>learned</sup> and for each obedience to the instructions given the  
group. An Honor Roll is to be established, when a child receives seven  
Golden Heart ~~Cards~~ <sup>Cards</sup>, that child's name will be printed on the Honor  
Roll, which <sup>will</sup> ~~is to be~~ ~~framed~~ presented the Chapter by Mother Sheila,  
framed and ready to hang on the wall.

The H.E.S requests the teachers of the children to send in-  
formation to her regarding the status of the class. She is tired of  
receiving letters which tell her nothing at all of importance. To  
simply say that the Instructions were enjoyed and the offering is  
enclosed gives her no vital information as to the progress of the  
children and their needs in the work.

Let me have a word from every one and let us pull together and build the Children's Section. It is they who will carry on the Masters' Work in the days to come and if <sup>the Masters</sup> ~~you~~ fail to do <sup>their</sup> ~~your~~ part

<sup>they</sup> you become Karmically responsible for non-action as well as for wrong <sup>students</sup> action. Few ~~people~~ realize this fact.

~~Yours~~ With great hope for the future of the Children's Work, I am  
Yours appreciatively, Mother Sheila.

Laura Dear:

I am enclosing three Golden Heart cards and <sup>es</sup> letters for the children which you may give them. Will you see that their names and address are sent me. I wish you would add to the above letter "The teacher is requested to send a complete list of the names and addresses of the children now attending services." <sup>Send me copy of letter also.</sup>

The Honor Roll is being prepared now. I sent the drawing to Los Angeles yesterday and <sup>when it is returned,</sup> it will be colored and framed and sent to the various teachers.

I am mailing the last package of incense that I have; will order more and you can send <sup>later</sup> ~~for more~~ when you need it.

With much love and appreciation from the H.E.S. I am,

<sup>from you</sup>  
Yours in the Masters' Work.
