To Thee, Almighty God, we lift our hearts in all humility.

To Thee, Thou Christ of God, The Living Word, we bow our heads in adoration.

Before Thy foot-stool, Father, Mother, Son, in One, Thou Fount of Wisdom, Power and Light, we veil our faces and silently await Thy will.

Believing we are of Thee, notwithstanding our ignorance and our frailty, we dare to stand upright and ask that in Thy Love for all Mankind, Thou wilt open our eyes to Thy glory and our ears to Thy voice. We ask that Thou wilt point out Thy paths of service and set our feet upon the way which leads to knowledge and perception of Thy Will.

Enable us to see that only as our wills are paths for Thy Will, only as we become links in Thy Chain of Power, may we gain Power; only as our love is set on Thee, may we know Love.

To know Thee is Life Eternal; to know Thy Love is bliss unspeakable.

As the stars in the Heavens are Thy mercies; as the Light of the Central Sun is Thy Wisdom, yet dost Thou bid us come to Thee and learn of Thee, that in Thy time and season, even we shall look upon Thy Face and Live.

C H A N T S

(All rise and chant three times)

Om, Om, I aspire, I the Human Star
To enter the Fire.

- - -

I seek the Light, I am the Fire
To find the Way I now aspire.

(Members chant three times)

Pillars of the Assembly, we,
Holding all so steadfastly.
Radiant, pure, all conquering light
Send we spiraling with might.

(All chant three times)

God of Life Eternal, we
Seek to know, to love, to be,
One eternally with Thee.
Om, Om, Om, Santee.

(All rise and repeat together)

Let there be Peace within the Assembly.
Let the Power of the Warriors of Light
be made manifest.
Let Wisdom guide us and Love protect us
throughout our lives.

(Officers of Assembly raise right hand and say:)

"Peace be with you."

(Audience raises right hand, saying:)

"And with you, PEACE."

THE ANTHEM OF THE UNIVERSAL

One Cosmic Brotherhood,
One universal good,
One source, one sway,
One law beholding us,
One purpose moulding us,
One life enfolding us,
In Love always.

Anger, resentment, hate,
Long made us desolate,
Their reign is done.
Race, color, creed and caste,
Fade in the dreamy past,
Man wakes to learn at last,
All Life is One!
