Dear Sir -

In the book by Franklin Merrell
Wolff, "Pathways Through Space"
on page 51 Chap. XXV a footnote
refers to another book by this writer
"Yoga its Technique and Practice" I fail
to find a copy of this book. Can you
enlighten me. I will also appreciate it
greatly to have the mailing address of
Mr Wolff. I wish to tell him how
greatly I appreciate his "Pathways
Through Space" or for many mail
him a copy of this letter.

Sincerely
F. J. O'Donnell
